Re: Your Request for Informal

Assistance

Our File No. I-89-453

Dear M. Reed:

We have received your letter of July 26, 1989, seeking written confirmation of the advice I provided to you in our telephone conversation of July 19, 1989, regarding reporting requirements for a non-profit corporation which sponsors a political committee under the Political Reform Act of 1974. This is to confirm that your letter accurately reflects that advice. However, I would like to clarify a point made in your letter.

In regards to reporting requirements of a sponsor, you stated that the sponsor need not disclose contributions either to or from a committee it sponsors, or expenditures made on the sponsored committee's behalf, if all of three criteria were satisfied. In addition to the three you listed, a responsible officer of the sponsor, as well as the treasurer of the committee, must verify the committee's campaign statements. (Regulation 18419(c)(4).)

A copy of your letter is enclosed for your convenience.

If you have any further questions, please contact me at (916) 322-5662.

Sincerely,

Kathryn E. Donovan

Dear Ms. Pritchard:

DANA W. REED

CARY DAVIDSON

DARRYL R. WOLD

This letter requests informal assistance under Government Code Section 83114(b). We request written confirmation of advice this firm received from Kevin Bratten-Moen on July 19, 1989 concerning reporting requirements for a non-profit corporation which sponsors a political committee. I am requesting this advice as Treasurer of the committee and it relates to a possible amendment of previously filed reports. (2 California Code of Regulations, Section 18329(c)(4)(A)).

Specifically, we were advised as follows: a committee sponsor need not report contributions, including non-monetary contributions, and expenditures on behalf of the committee it sponsors if the sponsored committee reports such receipts from the sponsor; and that a sponsor need not report the transfer of funds to the sponsor from the sponsored committee if the sponsored committee reports such a transfer to the sponsor.

The advice received was based on these facts. The sponsor is a non-profit corporation, qualified under section 501(c)(4) of the Internal Revenue Code. It does not engage in any campaign activity itself, other than through one or more sponsored committees. The sponsor does not make or receive contributions or independent expenditures sufficient to qualify as a committee under Government Code, Section 82013. Following the election for which the sponsored committee was organized, the sponsor received the surplus funds in a series of payments from the sponsored committee. The funds paid to the sponsor by the sponsored committee were in excess of \$10,000.

A sponsor need not disclose contributions either to or from a committee it sponsors, or expenditures made on the sponsored committee's behalf, if all of the following criteria are satisfied: the sponsor does not make or receive sufficient contributions, including non-monetary contributions, or expenditures to otherwise qualify as a committee, other than those in support of its sponsored committee; the sponsored committee reports all contributions or expenditures in support of the committee by the sponsor; and the sponsored committee reports contributions received from the sponsor as from an intermediary, if required. (2 California Code of Regulations, Section 18419 (c)).

If you have any questions, please feel free to call.

Sincerely

Dana W. Reed
